REQUESTED ACTION:

A Resolution to prohibit commercial vehicles with a rated capacity of five tons or more from using Riviera Drive between Pacific Beach Drive and Ingraham Street.

STAFF RECOMMENDATION:

Staff recommends approval of the requested action.

EXECUTIVE SUMMARY:

This action will prohibit commercial vehicles with a rated capacity of five tons or more from using Riviera Drive between Pacific Beach Drive and Ingraham Street. By law, passenger buses, public utility vehicles, and commercial vehicles with an origin or destination on the affected street are exempt from this provision. Council approval is required according to Municipal Code Section 85.04.

This proposal was initiated by residents along Riviera Drive who expressed concerns with trucks shortcutting on Riviera Drive to access the commercial zones to the north and west of this street. Riviera Drive is a two lane collector street with 100% residential frontage. Alternative routes to access the commercial areas are Ingraham Street and West Mission Bay Drive which are both major streets with fronting commercial facilities.
